B01-BLAIR

britney & alex

Britney doesn't look it but she is a total tomboy. She likes sports, drinking beer, and hanging out with the crew at the local sports bar. And when you're as smoking hot as she is, there is never a shortage of people hitting on her. She had been a cheerleader in college and she married her college sweetheart, one of the guys from the football team. When he was drafted to play pro, everyone was excited. At first. The idea of having the freedom to stay at home and be a loving wife to a football superstar was amazing. And then it got boring. He was always away.

LIPS LOOKING FOR PUSSY?

Britney was happy to have good friends like Alex nearby and willing to listen to her complain. The lonely hottie blonde was most thankful for her oldest college friend and roommate. She was always there to listen and after a few drinks, Britney decided it was time to thank her. Her old roommate couldn't believe it when she was dragged into bed, the one she shared with her husband, and pounced on her pussy. Both pussies were on fire and it took a full weekend to put it out. Now both girls are hooked on each other.

catalina

Catalina is young, fit and a total firecracker when she's in front of the camera. She was feeling horny as hell and her hands and pussy were already in the mood by the time the photographer's assistant had set up. Putting her body on the couch into the pose requested, the sexy brunette dropped her clothes one by one. Her breasts were so cute and her butt smooth and tight. Her little pink pussy had the sexiest look and smell. While she was playing it up for the camera, cooing and moaning as she pulled out her little glass toy and began to pleasure herself with it, and she's not doing it just for the camera.

YOU SAY YOU ARE GOING TO SUPERVIZE ME TAKING MY LINGERIE OFF? WELL, OKAY!

Taking a break so the lights can be reset, Catalina backs herself into the corner of the sofa and continues to play with herself. Apparently she wants to get that vibe as wet as possible. Ready again, the photographer asks her to get on her knees and push that sweet little butt into the air. Immediately she does and in goes the vibe once again. The crew had positioned themselves all around to get good views of the action. Her sweet face contorts in pleasure and joy as the sensations build up within, and minutes later she cums all over her toy. She slowly pulls it out, teasing the crew, and they applaud!

BLAIR-NTS-03

DIARY OF AN UNDERGRADUATE

My name is Hallie and I just turned 21. I recently finished my unior year of college and went back home to be with my mom for this summer. It's been a tough adjustment, so to keep my sanity, I'm keeping a diary and trying to maintain. To keep myself occupied, I'm helping as much as I can. Here's a look at my last week.

Saturday, June 16

I've been home a week or so after finishing my third year at the university. For the first few days I just sat in my room playing video games or watching TV. That got boring fast. So tonight, mom asked me to help her get ready for her neighborhood dinner party. She's having some rich old lady over who just moved in down the street. This isn't what I bargained for, but if I'm going to be in my mother's house, I guess I have abide by her rules.

Sunday, June 17

Last night we had the welcoming dinner party for our new neighbor lady. It was not quite as I pictured it would be. Our new neighbor, I mean. She wasn't quite as old as mom made her out to be; she's probably about 38 or so. Anyway, she's really beautiful. She was wearing a short black dress, and she has really long legs, and wavy black hair. And she had a sexy name: Monique. We had a nice rapport and she asked me if I wasn't doing anything for a week or so, if I could help her by walking her dog Wally, until she settled in and found a full-time dog walker. "Sure." I said I could do it for the next week. I don't really want to walk her dog, but I said yes so I could see her again. All through dinner I kept staring at her breasts, and her lips. I was so happy whenever she was talking because then I had a reason to look at her. Is it possible to have a crush on a woman? It's never happened to me before!

Monday, June 18

It's 10 in the morning and I went to Monique' house to begin my dog walking obligation. She answered the door wearing a short robe and had no makeup on, but she's even prettier without it! As she was telling me about her dog, she started getting dressed right in front of me! She didn't seem shy at all! I felt my pussy start to drip in my panties because I was

getting so excited. I felt really tingly down there, the way I do when I have to masturbate.

Without her finishing dressing, she put Wally on his leash and handed it to me. Her robe fell open as she bent down to pick him up for a doggie kiss. I couldn't help but stare at her body and breasts. All she was wearing was a pair of black lace panties under her robe. She caught me looking but didn't say anything. I was too embarrassed to say anything else to Monique. She handed me her dog and I walked out the door. I heard the door close behind me and I started my walk with Wally.

Tuesday, June 19

It's eight in the morning this time and I'm ringing Monique's doorbell again. So today I tell myself I'm not going to think any perverted thoughts about her, no matter what. And I felt really sure of myself until she came to the door wearing nothing but a red lace bra and matching thong. I couldn't help but stare at her marvelous body and beautiful face. "You're always showing up when I'm getting dressed," she said and she kind of laughed.

She goes back into the house to look for Wally's leash when she asks, "The other night at your mother's party, you said you are now separated from your boyfriend?" and I said "Yes, it didn't work out. I think I was probably too mature for him."

"My meeting's at 10 this morning. If you want, please come in and have a cup of coffee with me before you walk Wally." she says. I wish I had something else to do so I could tell her I was busy, but my mouth blurts out, "I'd like that, thank you." I looked at her and I realized she was staring at me. Breaking my stare, she leads the way to the kitchen... me following.

"Cream and sugar, or do you like yours black?" she asks. "Cream but no sugar," I respond. Handing me the cup, she says in a breathy voice, "You don't really want to walk Wally?" She was kind of biting on her lower lip and trying not to smile. "What do you mean?" I said. So she came over and put her face really close to mine, and says "You really want something else, don't you?" And then, she kisses me!

So, then my breathing stopped, but I didn't care. Her tongue felt soft and slippery and her lips were like big marshmallows. She then takes my hand and leads me to the bedroom and pushes me down on the bed and starts to take off my jeans. It was all happening so fast that I didn't have time to be shy or anything. Then she started nibbling on my thighs, giving me little kisses and little bites all around my thighs and getting closer and closer to my panties. In my mind I was begging her to put her mouth on my clit, and finally she started breathing on my pussy, like hot little breaths. She reaches my panties and brushes her lips across them.

Her hands come up on either side of my hips and pulls my panties off. She looks me straight into my eyes as and puts her lips right on my clit and gives it a long, lingering kiss. I feel her tongue part my labia and seek my little pearl. She swirls it in my wetness and sucks it carefully, pulling and pushing it in it's sheath. Her tongue then seeks the private entrance to my pussy pushing the gates aside and penetrates me. I move my hips to keep my pussy on her mouth and soon I feel my orgasm starting, and it was only a few seconds before I came right in her mouth. She must have felt it too because she sat back and smiled and wiped her lips. Looking up at me, I see my juices all around her mouth, glistening in the morning light. She get's up and makes for the bathroom and I hear the faucet turn on. I hastily get dressed and poke my head into the bathroom and tell her I'm going to walk Wally now. She raises her hand to acknowledge me.

Wednesday, June 20

It was a restless night for me because all I thought about was yesterday morning. Her lips, her tongue. I have to go over again today to walk Wally, and I have to tell her how I feel. I know she'll probably think I'm a crazy person or if she'll take my confessions to heart and feel the same things that I'm feeling. I'll know shortly. When the door opened, she was dressed for once wearing a dressy sleeveless blouse and black pencil skirt and full make up for a day at

the office. I noticed how toned and muscular her arms are. She didn't invite me in but says sharply, "I've already walked him this morning."

"Monique, if you have a minute, I'd like to talk with you about something. It won't take long, I promise." I say to her standing on her stoop. She steps back into her house and gestures me inside. We sit on the sofa and she looks at me expantantly. With some hesitation I begin by telling her that she's beautiful. I tell her that I'd never been with a woman before yesterday and it wasn't like anything I had felt before. She smiles at me and I want to tell her more. But instead I just pull her close and start to kiss her. She moaned a little as I pushed my tongue into her mouth. She responds to my kiss as I put my hand behind her neck and pull her closer and deeper into my mouth. Then, I feel her start to suck on my tongue. She bites my lip and the mixture of pleasure and pain gets me even more turned on.

I pulled her shirt and bra off, and began kissing her light brown nipples and fondling her perfect breasts. I must have been doing a good job because she was breathing and moaning heavily and said in a hush, "Nancie, take off my skirt." I push her back on the sofa and reach to the side to unzip her skirt. She lifts her hips up and I pulled it off, and her panties, too. I slid down to her pussy lips that were hidden ever so slightly by a mound of perfectly coiffed pussy hair. It was sicky and moist from our kiss and about to become wetter.

I was a pussy eating virgin so I just shoved my face right between her legs and started licking all around her lips the inside her sopping wet hole. I felt the knob my tongue was searching for above her hole and I started licking it really softly. My hands were on her breasts and my fingers were twirling and pinching her half-inch hard nipples. Suddenly she grabbed me by the hair and pulled my mouth closer into her pussy as she screamed "I'm gonna cum... I'm cumming!" I felt something warm and wet on my lips and I knew she was having an orgasm. I looked up at her and her eyes were pushed back in her head, half open half closed, all ecstasy.

I stand up and adjust my clothes. She sits up and smiles at me. "Hallie, I still have to go to work. Can we talk tomorrow?" "Of course."

Thursday, June 21

Today is Thursday and I've known Monique for five days. She's been nice to me but a bit stand-offish because I'm a warm and loving person. Yesterday I didn't get a chance to tell her what I felt, so I'm on my way now to do so. She answers the door, this time a bit more discheveled than I have seen her before. But even like this she looks so very hot. "Please walk Wally and when you come back I'll be ready." she says with a small sleepy grin.

When I finished with the walk, I let myself in and took Wally's leash off. I call to Monique and see her standing in the bedroom hallway, with her hair nicly styled, wearing only black sheer stockings. "You still want to talk?" she coos and walks out to me sauntering like a runway model in heat. This time she is the agressor. "Strip down." she softly commands. I do and she pulls me into her, flesh upon flesh and for the first time our bodies are in full contact and I feel the electricity between our skins. She kisses me fully and gently pulls me down on the sofa. She motions me to move my pelvis in close to her and opens my legs and scoots herself in until I could feel the wetness of her pussy and its soft lips hitting my clit. The rhythm of our movements started getting faster and faster as we rubbed our pussies together. Our pussies were so wet now that they were making little squishing noises but that just turned me on even more. When we separated, she sat up a bit more and inserted a finger, then two into me...

to be continued...

I gotta go right now... Please check in with me soon as I'll tell you how Thursday ended and the erotic revelations of the next week home from college.

subi & ash

Ash was ready to start a new career. After quitting her job over a year ago, and with the support of her family, she went back to school to learn how to be a fashion designer. But it wasn't clothes she wanted to design, it was sexy underwear. She thought she could really bring something new to the market and make lots of money with her sexy, lacy, lingerie designs. With graduation only a month away, she was determined to finish at the top of her class so she could get the award money, which would help make her dreams a reality.

LINGERIE IS MEANT TO BE TAKEN OFF AND THE TREASURES UNDERNEATH TO BE EATEN.

The only thing she could think of was to show off some of her fave undies to her friend Subi. And, more importantly, to show her how great all of her designs were for young bodies like theirs. Ash was most proud of how easily her undies could be taken off. The hot beauty pushed her invitingly firm booty up in the air and wiggled it slowly so Subi couldn't refuse an invitation like that. She was always quiet in class but the blonde beauty was a wild animal when she got horny. Using all her pussy tricks, the vixen was working hard for extra credit.

I never did realize how sensitive my body parts were until I started playing with them. At first, when it was only me, I thought I was just too sensitive, but as I became more sexually active I found out more. My breasts are incredibly sensitive and I've cum a little just by tweaking my nipples, And my clit, you can just blow on it and I'll cum instantly. Wanna try it? Yes, you do? Okay, let me get it ready. First, I'll be sure that everything is clean down there just for you. I wouldn't want you to walk away because you thought I was stinky.

lexi

I'M QUITE SHY WHEN IT CUMS TO SEX, BUT WHEN I GET STARTED, IT'S FULL STEAM AHEAD!

Then, I'd be sure I was nicely clean shaven for you. No stubble, and I would have lotioned that area so it was smooth as silk. Then, I'd lay back on a nice comfy sofa and prop a pillow under my hips and bring my feet up to bend my knees. Of course I would not have any panties on and slightly open my pussy lips to tease you with what was under them. Then, I'd make you strip and you'd inch closer to me. I'd open and close me legs like a butterfly's wings and urge you on. Then you'd inch closer to your prize and purse your lips, ready to blow. Oh, then you wake up!

molly

Molly had not finished up doing her homework. She was already running late for the party she was supposed to be going to when her tutor showed up, late as usual. She explained that she wanted to go to the party, but he said he had driven for almost an hour to get there for her. It wasn't his fault that the traffic was so bad, or that he ran late. So they studied for an hour and by now Molly had missed the start of the party and her interest in going to it. He was putting his books away when she decided she would make the best of it and seduce him.

HOMEWORK IS WHAT YOU DO AT HOME, BUT THIS IS NOT WORK . IF IT IS, IT'S FUN!

After all, she did find him attractive, for a tutor guy. Her smooth pussy was getting wetter by the minute and she could see the lump in her tutor's pants grow. The cock-hungry bloonde had to taste him. She unzipped his pants and pulled out the largest, hardest cock she had ever seen in her life and it was driving her wild with lust. She was screaming with every stroke of his cock going in and out of her. The horny sexpot wanted all her holes plowed like there was no tomorrow. She got her wish, laying down on the bed and he pumped it long and hard and finally adorned her sweet smiling face with his cream.

BLAIR-NTS-09

I couldn't just watch

I got home from classes a little late tonight, very tired and just as hungry. When I went into the living room I saw the two ladies sitting on the couch and gossiping about other women. They offered me a glass of wine and went right back to their conversation. I figured this was not a time to ask what was for dinner. Nor was I going to get one at this point. I got the bottle of wine and refilled our glasses. Then I sat down cross-legged in front of the fire and quietly sipped my wine. The wine was giving me a nice buzz and the fire felt warm against my back. As I sat there, I found myself watching Lauren and my girlfriend. Both were beautiful women. Trying not to be too obvious, I watched Lauren's breasts rise and fall with each breath. I could see the dark outline of her nipples against the thin white top she wore. My gf would glance over at me from time to time and saw I was probably in another world. And I was. Unable to help myself, I began imagining them sitting buck naked on the couch in front of me.

The music ended and I went over to put another CD album on. This time it was the crooning of Harry Connick. We listen to ballads during the evening and rock and roll during the day. I returned to my post and glanced back at the two just in time to see Lauren scoot forward slightly on the couch as she hiked her skirt up around her hips and, spreading her legs, began rubbing her fingers against the front of her panties. I could see a wet spot forming on the material between her thighs. Suddenly Lauren looked right at me. "Ronny, why don't you come up here and join us?"

Not quite sure I was believing

This was the moment I had been waiting for. Her ass seemed so tight that I didn't see how my cock could possible fit inside. I pressed the head against her opening and slowly increased pressure.

what I saw and heard, I looked back at Danielle (my gf) and she smiled and nodded. Apparently she too had her dress pulled up around her waist and her hand was hidden from view beneath her panties. I slowly got up from my place in front of the fire and stumbled over to the couch. "You looked like you're about to pop a nut, dear," Danielle said, pointing at my now exposed erection that I had forgotten to reposition when I stood.

I don't know if it was the wine, or just the situation I was in, but it felt completely unreal. I walked over to the couch and sat between the two girls. Danielle reached up the hand she had just had down her panties and trailed her fingers across my lips and under my nose. I could smell her strong, musty scent. Her fingers were wet with her juices and I opened my mouth to suck them in. Reaching over, I felt Danielle's hard nipples through the smooth cloth of her dress. She had both her hands back in her lap and I saw that she had pulled her panties aside and was slipping two fingers deep into her pussy, fondling her clit with her thumb. Unbuttoning the front of her dress exposed her lacy bra. As I rubbed her hard nipples through the lace I felt fingers tugging at the belt to my pants.

I glanced down and was surprised to see Lauren had already undone the belt and was pulling down my zipper. Her top was already off and her bra hung from one shoulder as if she'd been in too much of a hurry to pull it all the way off. But it was her gorgeous tits that held my gaze. Bent down as she was, tugging at my trousers, her breasts had fallen forward until they were cradled between her arms. Sweat shone on her smooth skin and I could see a drop glisten on the tip on one dark nipple. This was getting to be too much for me to take in when I noticed Lauren had freed my cock as I felt the warmth of her hand encircle the base. I gasped. I looked at Danielle and saw her eyes staring hungrily at my freed member as Lauren slowly stroked it up and down.

Danielle raised her head and kissed me, pushing her tongue urgently into my mouth. I shuddered from the dual pleasure of my wife's passionate kiss and the excitement of her best friend stroking my cock. "Did you think I didn't know what we were getting into when I suggested Lauren come over?" She smiled again. "All Lauren has been talking about for the last week is how badly she needs a hard cock. So I gave in and invited her over. You don't mind, do you?" Before I could answer, I felt Lauren engulf me in her hot mouth. I grunted and closed my eyes. "And guess what?" Danielle said, leaning close and whispering in my ear. "She likes it in the ass, Jeffrey. She wants you to fuck her hard in the ass!" I had imagined fucking Danielle in the ass, but the few times we had tried had been unsuccessful.

Now here she was encouraging me to do just that to her best friend! I slipped my right hand down Lauren's back until I reached her ass. I squeezed her cheek and then slid my hand down beneath the band of her panties into her crack. I felt her wetness long before reaching the opening to her pussy. Since she was leaning forward in order to suck my cock, her ass was lifted slightly off the couch, giving me just

BLAIR-NTS-12

enough room to slide one finger into her sopping wet cunt. She groaned against my shaft when I entered her with one finger and began to slowly finger-fuck her. I shifted my hand slightly when my finger was slick from her juices until I could feel her tight sphincter against my fingertips. I rubbed it hesitantly, then harder as I heard her moan around my cock. I felt one of her hands leave my shaft and I knew she was slipping it down between her legs to rub her pussy.

That turned me on so intensely that I had to clamp my teeth together to keep from filling her mouth with my hot sperm. I increased my pressure on her anus until I felt one of my fingers slip inside. I felt an tightness around my finger and I knew Lauren was close to cumming. I slid another finger into her asshole as she cried out in rapture and collapsed into me. She shuddered as I removed first one finger and then the other from her. My cock was starting to spasm and I knew I was going to cum soon. Danielle must have realized the same thing. I knew I had to hold out as best I could. Lauren stood up, got completely naked, and gripped my cock in her hand and grinned at me. "I want you to cum in my ass, Ronny. I want to feel your cum leaking out of my ass and dripping over my pussy." Lauren got up on her knees on the couch and raised her ass in the air. I could see the fine hairs glistening around her bunghole.

From her position, her ass cheeks were naturally spread wide and the puffy lips of her sopping pussy peeked out from between her thighs. I got down behind her and traced her pussy with my tongue until I got to the dripping opening. I sucked the juices from it and I had never tasted anything so wonderful.

I ran my tongue up between her cheeks until I felt her puckered anus under the tip of my tongue. She groaned again and pushed her ass against my face. I fucked her asshole with my tongue, knowing in a few moments it would be my cock fucking her opening and shooting streams of cum into it. I got up on my knees sensing she was ready. I rubbed my cock in the crack of her ass. Her cheeks hugged me and I had to breathe deeply to calm my racing heart. I wanted this to last. I positioned my cock at the entrance to her pussy and slowly slid my length into her wet opening.

She was so incredibly hot! I looked down and saw Danielle sitting a few feet in front of her, leaning back against the arm of the couch. She had her legs spread wide and was furiously rubbing her clit as she watched us. After a few more strokes, I slipped myself out of Lauren's dripping snatch and positioned the head at the opening to her ass. This was the moment I had been waiting for. Her ass seemed so tight that I didn't see how my cock could possible fit inside. I pressed the head against her opening and slowly increased pressure.

Hesitantly, almost unnoticeable at first, I felt my cock slide into her. The head of my cock slipped past the first sphincter muscle and I was engulfed in a world of heat and tightness. It felt as though her ass was sucking me in and would never let go. I pushed my full length into her and she gasped with pleasure. I had never felt anything so powerful before. We continued into this ecstasy for several hours, enjoying each other's bodies and the many offering made of them.

The fire had been out for a quite a while and the wine bottle was long empty. What I thought was a fantasy turned out to be fantastic.

Yana finally got Nikki to go on a date with her after several tries. Nikki was just so nervous because Yana is so beautiful. While on the date, Yana fed her some desserts and told Nikki how she was going to ravage her body. Nikki could not resist and went home with Yana. Once they arrived, the two hotties began making out with each other. Soon after, they were undressed and eating each others luscious pussies and assholes. Yana put her sweet pussy on Nikki's face

IT'S AN ORGASM PARTY!

and the two enjoyed themselves. However, their little party wasn't over quite yet, there was more pussy to lick and assholes to explore. Cumming just once was not enough. Since they were going to spend the day 'in delicato' they may as well rack up those orgasms. So down goes Nikki and Yana comes within minutes. Yana returns the favor, but it takes Nikki a little longer for her climax. And so this was their day. How was yours?

anna

There had never been a storm like the one howling outside right now. Windows rattled and tree branches make scary shadows. Anna and Alex sat in the living room huddled together like there was going to be a catastrophe. But soon the winds died down and the rain stopped. Oh, what to do now. Apparently their huddling together for an hour has aroused the two nubile tenants. Anna and Alex get naked and into her flowery bed for an afternoon of anal hijinks. It all starts innocently enough...

BUTT PLAY IS SO MUCH MORE FUN AND SEXY IF YOU DON'T HAVE TO DO IT ALL ALONE.

First, some finger play into Anna's tight little sphincter. "Alex, use some lube," she squeals. Soon Anna has his cock in her mouth and is sucking it perfectly to his pleasure. Holding his cock, she guides it into her moist pussy and begins bouncing on it with her youthful exhuberance. And then it's butt time and he pulls her off his cock and the slowly pushes it into her tight little butt hole. Anna's done this before but this time it feels different. Maybe because she has feelings for Alex.
